Major General Millard Lewis  
Commander, USAF Security Service  
San Antonio, Texas

Dear General Lewis:

I am enclosing a copy of General Cabell's talk which he gave before the National Guard Association in San Antonio. I hope you will find it of interest. As I indicated to you, it received considerable attention and I believe was most timely in the light of Mr. K's pending visit.

With kindest regards,

Sincerely,

  
Assistant to the Director
